Fresh strawberries are always a sign that spring is in full bloom. We have local strawberries available at the market and here is an easy recipe to create a special pie for this Memorial Day weekend:

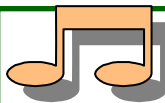

Fresh Strawberry Pie

(Recipe makes two 8 inch pies)

- 2 (8 inch) ready made graham cracker crusts
- 2 1/2 quarts of fresh strawberries (you can leave them whole or slice them as you wish)
- 1 cup white sugar
- 2 tablespoons cornstarch
- 1 cup boiling water
- 1 (3 ounce) package strawberry flavored gelatin

Directions:

1. In a saucepan, mix together the sugar and cornstarch; make sure to blend cornstarch in completely. Add boiling water and cook over medium heat until the mixture thickens. Remove from heat. Add gelatin mix and stir until smooth. Let mixture cool to room temperature.
2. Place strawberries in the graham cracker pie shells. Pour cooled gelatin mixture over the strawberries.
3. Refrigerate until set. Serve with whipped cream. If desired.
